A 3D architectural rendering of a modern outdoor pool area at night. The scene features a large, rectangular pool with a mosaic tile bottom, illuminated by underwater lights. In the background, there are two large, square, white-roofed gazebos with sheer curtains, each containing lounge chairs. To the right, there are more lounge chairs and a potted plant. The pool is bordered by a low wall and steps on the left. The sky is dark with some clouds, and the overall lighting is warm and ambient.
